MONSTER BABIES' HORROR TALES

Hello, I'm **Feel Downahue...** We've **all** heard the horror stories that bitter young Hollywood brats tell about their famous parents. Celebrity subjects of some tell-all books include **Moan Crawford, Batty Davis, Boing Crosby** and **President Raygun.** We have gathered a panel of different, but equally bitter, Hollywood brats today, who will give us the dirt on their horrible parents!

Exactly! And I'm not alone! We're **all** unsupervised and left to fend for our own!

You think **you've** got it bad? My dad's out **every** night 'till the crack of dawn and when he **does** get home, all he does is **sleep!**

So what? My mummy hasn't changed my wrappings in **ages** and you don't hear me whining! Now **shut up** and deal!

All I want is what used to be **guaranteed** to the children of monsters! Remember **Son of Frankenstein? Son of Kong? Dracula's Daughter?** Heck, even **Dracula's Dog,** Zoltan, got in on the act! But movie producers today don't want to take a chance on us!

Personally, I don't blame producers for not bankrolling your films. I don't find you scary at all! But that might be because I'm such a hip and with-it, secure adult and I'm not scared of **anything!**
